## Infants

Hello everyone and Happy February! We are so excited to be able to update you on everything that's happening in our classroom. First of all, thank you for entrusting us in the care of your precious and sweet babies. We love seeing each and every one of them grow and develop in different ways. This month, we have exciting things happening. We will be celebrating Jaylee's first birthday on the 13th as well as sending off Nolan and Arthur to Toddler 3 on the 10th and 17th. It is bittersweet but we are excited for them to grow and learn more in their next class. As always, There are certain skills that you can work on at home with your child. Right now, we are practicing sign language with them, like "Mom" "Dad", "food", "please", "more", "all done", and "milk". It's important for all of the babies to start to learn these signs so that they can start to communicate with us as their teachers and you as their parents.

-Ms. Jannet, Ms. Rachel and Ms. Holly

## Toddler 3

Hello parents! It's going to be a fun month in Toddler 3. Our new kiddos from the baby room are doing so well and the older kids are big helpers to us teachers! This month's theme will be friendship, forest animals and Valentine's Day. We will have several crafts to go with each theme and Fridays will be our free art day. If you have not provided a family photo, please bring one in so we can display them in the room. On Friday evening pick-ups we will send home your child's blanket to be washed and sent back on Mondays. We miss seeing all of you and hope you are doing well. Let us know if you have any questions. Much love.

## Early Preschool

Hello again to everyone. It has been some time since we sent a newsletter out. We pray that all is well with everyone. First we would like to say. Thank you for your patience, understanding and help through these difficult months. We have stayed consistent with our curriculum through these past months and have seen your kiddos learn so much. They are truly a Blessing during these hard times. This month we will be talking/learning about Friendship, Valentine's Day, Forest Animals and Hibernation. We will continue our Zoo Phonics, numbers colors and shapes. We are planning a Valentine's Friendship party the Friday before Valentines Day, So please keep an eye out for a sign up sheet on the door. We have two Bible verses this month. 1 John 4:19 and Luke 6:31, we will spend two weeks on each verse. We have a very full and fun month planned. And as always, if you have any questions or concerns please feel free to contact Ms. Roberta or Ms. Gabby. Happy Valentine's Day!

## Preschool 1

In January we learned about the weather, winter, pets and seven day creation. In February we will learn about friendship, emotions and matching. Our Bible learning will be about how God loves us. We will have a Valentine party February 12th. We ask if parents could bring a dozen of Valentines to give to friends. We will have a "goodie snack" sign up the week before the party.

-Ms. Kathy and Ms. Diane

## Preschool 2

Our class has grown! Welcome to all of our students who joined our class in January! Avila, Audrey, Ben, Marcus and Moses moved up. We also have two new students Adley and Avery. We are excited to have you in our class and we look forward to meeting your parents!

This month we will continue on our Zoo Phonics letters and numbers. Our themes will be Groundhog Day, Forest Friends, Presidents Day, Dental Health and of course Valentine's Day!

Our Valentine party will be on Friday, February 12<sup>th</sup>. We will post a sign-up sheet prior to the party. We will be decorating valentine boxes in class. If possible we are asking that you send in an empty cereal box for your child to decorate. Bring a box by Friday, February 5<sup>th</sup>. Please have your child bring a valentine for everyone in our class. There are 17 children in our class. Sign their valentines, but do not have them write who they are "To." We will randomly put one valentine in each bag/box.

## Pre-Kindergarten

Dear Pre-K Parents,

Welcome to February! We hope you are all doing well, we miss being able to see you and visit. You all have wonderful children and we are so lucky to have them in our care! We love February in our class because we get to celebrate Valentine's Day, and really emphasize friendship. We will also be going over Forest Animals and Hibernation. Our letters we will emphasize are Q-T and numbers 17-20. Our Bible verse this month is 1 John 4:19, "We love because He first loved us." We will talk about how since God loves us, we should show love to others. Sometimes when we are 4 & 5, that can be hard- even for adults! Our Valentines Party will be Friday, February 12<sup>th</sup>. We will be sending home a parent letter to further explain things concerning that. We hope to be able to "see" each other soon! Your children are such a blessing! If you have any questions or concerns, please feel free to call or let the front desk know and we can come talk to you! Thanks for letting us care for your child!

-Ms. Doreen, Ms. Amanda, Ms. Lindsay

## School Age

Remote learning is over and the kids are back in school! We are back to a "normal" schedule and we are hoping for the best. Please remember to send a mask for your child. They are required on the bus, as well as, at school. Thank you for helping out as we work through the changes of the past 10 months. We think your school agers are the greatest and we enjoy the time we get to spend with them.
