

March

2021

Monthly Verse

But seek first his kingdom and his righteousness, and all these things will be given to you as well.

Matthew 6:33

Special Dress Days

March 17th-St. Patrick's Day

Infants

Hello Infant Room families! We want to say goodbye to Nolan and Arthur as they moved up to Toddler 3 to start a new adventure. With our sign language, our new sign for this month will be "spring". Please feel free to ask either Ms. Holly or Ms. Jannet for this. Also, our babies will be exploring and learning how to use them in a fun and educational manner, as well as introducing them to the themes of this month, like St. Patrick's day. We will learn new words from this holiday, and will explore items and activities relating to it, as well as the whole spring season. We love working with your babies! Please see us if you have any concerns!

God Bless!

-Ms. Holly and Ms. Jannet

Toddler 3

Hello parents, Lets welcome our new friends Nolan and Arthur to Toddler 3! We are so happy to have you. We will miss Jeremiah and Lincoln as they moved up to Early Preschool! They will do great.

This month our themes will be spring time, St. Patricks' Day, and Dr. Suess. The children will be doing crafts sensory activities with each theme and . As a reminder please keep bringing winter coats, hats and gloves for when we go outside! We hope to see you soon!

-Ms. Malanna and Ms. Jennifer

Early Preschool

Hello everyone and welcome to March. We have so much planned for this month and we are so excited about all we are going to learn. We will be learning and talking about Dr. Suess' Birthday, St. Patrick's Day, Spring and the weather. We will also be doing arts and crafts, reading books and singing songs about all the themes for this month. We will also continue our Zoo Phonics, numbers, colors and shapes, so we will be very busy. Our Bible verse for this month is Matthew 6:33 and our Bible concept is "God provides for my needs".

If you have any questions or concerns, please feel free to talk to Ms. Billie or Ms. Diane

-Ms. Billie & Ms. Dianne

Preschool 1

Preschool 1 is getting excited for March! We will be celebrating Dr. Suess' birthday and the arrival of spring.

We will learn about spring weather and opposites. We will continue with our weekly Zoo Phonics, stories of Jesus and numbers and counting.

-Ms. Roberta & Ms. Kathy

Preschool 2

February was a fun month for preschool 2. The children had a lot of fun at their Valentine party! They loved giving and receiving valentines! Thank you to everyone who donated items for our party.

With all the new children moving up to our classroom we are starting to settle into a routine. We are working on social/emotional skills, listening and following the rules.

In March we will celebrate Dr. Seuss's birthday and St. Patrick's Day. We will also have some fun activities to help learn about weather and spring.

-Ms. Debbie & Ms. Bekah

Pre-Kindergarten

Hello Pre-K Parents! I hope March is finding you all well! Spring is soon here, and we can't wait! Please continue on sending in cold weather gear—even on warmer days. We first go outside at 9:00 a.m., and it is often still pretty nippy out. This month, we will have lots of fun with the birthday of Dr. Suess, as well as St. Patrick's day. We will also focus on the weather and Spring. Our Bible verse, Matthew 6:33 (seek ye first.), will emphasize how God will provide for our needs. Our Zoo Phonics focus will be on letters U-Y, and on numbers 21-25. Finally, we are beginning to get ready for our Graduation program. We are beginning to learn the songs and everything else for it. Please watch out for more information on it, as we get closer. It is currently scheduled for May 21st, however with the pandemic, there will probably be some restrictions, and possibly changes, but we will cross that bridge when we get closer. Thanks for all of your contributions for our Valentine's party—it was a huge success! We hope you all have an amazing March! Thanks again for all of your support—your children (and you) are wonderful!

God Bless!

-Ms. Doreen, Ms. Rachel and Ms. Lindsay

School Age

Hi Parents! In person learning has been going great for the school agers! They really missed their friends. We have noticed that some schools are adding additional days off and/or early release days. It would be great help if you could let us know of any calendar changes. Thank you again for raising such awesome kids!

-Ms. Diana and Ms. Peggy
